Year R Newsletter 5.2.10

STORY OF THE WEEK: This week we have been re-telling the story of the Gingerbread Man. We have followed clues to find the Gingerbread man and drawn maps of the trail we took. We have been telling the story through puppet shows and writing our own books. We have solved some gingerbread man problems and have been exploring floating and sinking as a way of getting the Gingerbread man safely across the river. What fun we have had! ☺

CAPTION OF THE WEEK: This week our caption was 'a cap on a peg'. We have been looking at the difference between individual letters and how we build words.

TIDYING UP: Wow what a tidy classroom we now have! It's amazing what children will do for a tidy up token!

SPONSORED FITNESS TRAIL: The children completed their trail on Monday in the hall and they were fantastic! If you have not yet returned the money for your child's sponsored fitness trail the school would really appreciate this in before half term (next week).

BEANSTALKS: You may have noticed that our beanstalks are doing really well! We have sent them home for you to continue looking after them. You may wish to keep a diary / take photos etc of the progress of your child's plant. Don't forget to bring these in and share them with us.

TOYS: We have still got a number of children who are bringing in toys from home. This week 2 toys have got lost. We are desperately searching for them! We know some children like to carry a toy on their journey into school but could these please be taken home when the children come into the school building. We feel extremely sad for the children who have been upset this week. Thank you for your co-operation.
