Year R Newsletter 9.7.10

MOVING TO YEAR 1: Today you will have your child's school report which will not only be filled with great news about your child but with the name of your child's new teacher.

YEAR 1 CURRICULUM MEETING: On Wednesday 14th July at 3.15pm there is a special curriculum meeting in the hall where you can meet the Year 1 teachers who will talk through what happens in Year 1. This is a vital part of helping the children move and we hope that you will be able to attend. A crèche will be provided for school aged children.

WORD BOXES: This week is the last week we will be sending home new words. Next week we would like to collect in all word boxes. We will be sending home copies of all the words your children have learnt this year towards the end of term. We will also send home the next few word lists to help your children over the summer holidays.

PUNCTUALITY: At present the children are able to come into the Year R classroom between 8.50 and 9.05 a.m. In Year 1 there is NO flexible start and all children must be in their classrooms at 8.50 a.m. or they will receive a late mark. We are recommending that the children try to practice this now ready for Year 1. Get setting that alarm clock a little earlier! We thank you for your support with this.

WALK TO SHIRLEY LIBRARY: Thank you to everyone who helped on our walk to the library. We had a lovely letter from the librarian who said how well behaved the children were!

Dates for your Diary:

- Wednesday 14th July: Year 1 curriculum meeting
- Thursday 15th July: Open evening 3.10 - 6pm
- Monday 19th July: Inset day
- Tuesday 20th July: Change over morning / KS1 and Foundation sports afternoon.
- Wednesday 21st July: Holiday on the field (more details next week)
- Thursday 22nd July: School disco 5-6.30pm.
